Erode | 9489616103 | ravivarmanselvakumar@gmail.com | <https://www.linkedin.com/in/ravivarman-selvakumar-812557297>

CAREER OBJECTIVE

Aspiring **Generative AI Engineer** with a strong focus on building real-world applications using Large Language Models (LLMs), automation, and intelligent systems. Passionate about solving practical problems through AI-powered solutions and continuously learning modern technologies in Generative AI and software development. Seeking an opportunity to contribute to innovative teams and build impactful AI-driven products.

EDUCATION

- **B.E. / B.Tech in Computer Science Engineering**
Nanda Engineering College – (2023 – 2027)
- **Higher Secondary (12th Standard)**
Meenakshi Sundaranar Sengunthar Higher Secondary School – 76% – 2023
- **Secondary School (10th Standard)**
Meenakshi Sundaranar Sengunthar Higher Secondary School – 2021

SKILLS

- **Programming:** Python ,java(basics)
- **Generative AI:** Prompt Engineering, LLM Applications, AI Chatbot Development
- **Tools & Frameworks:** Ollama (Local LLM setup & usage), Django, FastAPI(beginner)
- **Concepts:** Problem Solving, API Integration, Automation Logic

INTERSHIP EXPERIENCE

- **Technosoftsolutions** – Generative AI Intern (15 DAYS)
- **NextSkill Technologies** – Generative AI Intern (14 DAYS)

PROJECT EXPERIENCE

Hands-on experience in developing applications using **Generative AI and Large Language Models (LLMs)**. Built intelligent systems focused on automation, content generation, and real-world problem solving using Python and local LLM tools.Developed projects including an AI-powered productivity assistant, a resume analysis system, and chatbot-based solutions using prompt engineering and LLM integration. Worked with local LLM

frameworks like Ollama to create offline AI applications and explored backend integration using Django.

Currently working on building advanced AI applications focused on improving user productivity, automation, and real-time intelligent assistance.

CERTIFICATIONS

- 30-days Artificial intelligence course
- Project presentation KPR college of Technology
- 24 Hours hackathon at SRM college(online), Nandha engineering college
